Are The Four Fruits Used in Making "Fruit-a-tives"

"FRUIT-A-TIVES" is the only medicine in the world that is made from the juices of fresh ripe fruits. Thus, it is manifestly unfair to say, "I won't take Fruit-a-tives because I have tried other remedies and they did me no good". On the other hand, the fact that "Fruit-a-tives" is entirely different from any other preparation in the world, is just why you should give it a fair trial, in any trouble of the Stomach, Liver, Bowels, Kidneys or Skin. "Fruit-a-tives" is composed of the active principle of fruit and the greatest nerve tonic ever discovered. 50c. a box, 6 for \$2.50, trial size, 25c. At all dealers or sent by Fruit-a-tives Limited, Ogdensburg, N.Y.

Graduates in very active demand for business and Civil Service positions. Young women specially wanted to fill places formerly occupied by men. Good opportunities now for all who are qualified. Prepare at once. For catalogue address CARNELL & HOIT, Albany, N.Y.

ANNOUNCEMENT

A Change in Our Method of Doing Business

On and after Oct. 1, 1917, we shall put our business onto a strictly cash basis and at the same time eliminate the order teams, meaning thereby that we shall do no more soliciting by this method, but we will deliver goods on certain days in different localities, thus: any orders for Newport, Causeway, west of the railroad, also the Fogg Hill, will be taken care of on Monday and Thursday of each week; all others on Tuesday and Friday.

NO DELIVERIES ON SATURDAY AFTERNOON, as we need the time in the store.

No delivery will be made on any order under \$1.

We are trying to lower the expense of doing business and thus save you something on the price of the goods.

We will do our best to serve you in every possible and reasonable way. The cash customer is the satisfied customer, and we would solicit our share of your patronage having it understood that if your purchase does not suit you may return the goods and draw your money.

We trust that you will appreciate our efforts and favor us with your trade.

TO WHOM IT MAY CONCERN we wish to state that all accounts unpaid or that are not suitably arranged for by Oct. 1st will be placed in the hands of our collector.

SUMMARY--You help us and we believe we can help you

Baptists Celebrate Centennial

Friday night the Baptist society of Newport celebrated the 100th anniversary of their organization in Newport. On Sept. 21, 1817, the names of 24 members of the Coventry church were set off that they might establish a church in the "wilderness" or what is now Newport. The first church was erected on the Lake road somewhere near the farm now owned by F. J. Libbey.

Later the building was taken down and moved to Newport village and the present Baptist church was erected, and is now undergoing reconstruction and enlargement.

The anniversary was celebrated with a supper which was served by the ladies in the assembly room of the Methodist church, the use of which was kindly granted owing to the inability to use the Baptist building.

After the bountiful supper fitting exercises were held while the 150 guests remained at the tables.

Carroll Huntington presided and fittingly introduced the speakers of the evening as follows: Hon. Judge Fred M. Butler of Rutland, Rev. Geo. C. Pomfrey, pastor of the West Derby Baptist church, Rev. H. C. England, pastor of the Derby Baptist church, Rev. La. A. Edwards, pastor of the church, Rev. H. B. Rankin, pastor of the church and Mrs. E. E. Jenne, W. W. Blodgett, Dea. Chauncey Chamberlain and Henry W. Ryther of the local church.

The remarks made were appropriate to the occasion. Judge Butler spoke of "Our Attitude towards Other Denominations as Compared with Early Times."

Mrs. Jenne suggested that the history of the Baptists in Newport be in three chapters as follows: Chapter I, The Organization; Chapter II, The removal from the Lake road to the present site; Chapter III, Today's remodeling.

Among those present were several of the direct descendants of the 24 members of the organization.

Thus a most enjoyable evening of commemoration was spent and the church advances to its second century of good work in Newport.

The Store that Sells Wooltex Coats, Suits, Pre-Shrunk Wash Skirts

Buy Your Fall Coat or Suit Early This Fall

There has never been the inducement to buy that there is this season. We bought our Fall coats just as early as possible and bought nearly double the usual number and had every coat shipped just as soon as it was made, because we wanted to be sure of getting them. Some of the materials these coats were made from have doubled in price and none of them that have not advanced from 25% to 50%.

We have an elegant line of Coats priced from \$7.95 to \$95.00, with a very strong line from \$17.50 to \$35.00. None of them can be duplicated at the price we paid.

FALL SUITS

The styles are not established as early on the Fall suits and it is not safe to buy as far ahead. We have a very good line of Fall suits priced from \$15.00 to \$75.00, with a particularly strong line at \$25.00.

FALL DRESSES

Never had as hard work buying Dresses at what seemed to us as good values as this season and only for the fact that some of the manufacturers were willing to sell dresses without getting the full advance on the materials they had bought early it would have been impossible to do so. We are showing a splendid line of Dresses at a very slight advance over last season's prices.
